Our Vision: Every child conceived is born!

Our Mission: Pregnancy Help Clinic embraces life by offering support, education and hope to woman in her pregnancy and life journey.

Our Values:

- God the Father is the source of our life and breath, knows all that we are meant to be and provides all that we need.
- Jesus is our Lord and Savior, the proof that the Father loves us, our Role Model and worthy to be praised.
- The Holy Spirit guides, enables and empowers us to live and work in partnership with Jesus and the Father.
- We believe unborn children have the right to be born.
- We believe that God’s purpose and design for sexual relations can only be realized in marriage relationship between a man and a woman.
- We express God’s love to others through our actions to save lives. □ We provide encouragement in an attitude of love and empathy.
- We assist each woman with a crisis pregnancy in finding an alternative to abortion; we do not assist a woman to obtain an abortion.
- We do not abandon a woman who chooses abortion; instead, we offer her opportunity for healing.
- We provide material assistance and life skills training to those who choose to parent.
- We reduce the likelihood of unplanned pregnancies through abstinence education as well as promotion of healthy relationships and life styles.

Statement of Faith:

I affirm the following fundamentals of the Christian faith:

1. The inerrancy of Scripture
2. The deity of Jesus Christ
3. His virgin birth
4. The shedding of His precious blood at Calvary for the remission of sins
5. His bodily resurrection from the grave

I affirm that I am in agreement with the above statements. I will show an active concern for Pregnancy Help Clinic in any area checked on the reverse side, as I am needed and able, for a period of at least six months.
